### Property Snapshot

- ✓ A large, single-story industrial facility with portions of two story with office space located in Stockton, California, built for manufacturing, warehousing, and other heavy industrial uses. The property offers a rare combination of scale, yard space, and functional industrial features in an established industrial corridor. Situated on roughly 1.7 acres, the property includes valuable outdoor space for equipment staging, fleet parking, and secure material storage. The yard enhances operational flexibility for users that require on-site maneuvering and storage capacity.

Ideal facility for manufacturing & fabricating. Four (4) 3-ton Rolling Bridge Cranes. One (1) 5-ton Rolling Bridge Crane. Separate Shop Office/ Restroom. Skylights and space heaters in shop area.

- ✓ **Ceiling Height & Clear Span:**  
High clear ceilings in the mid-20-foot range support vertical storage, tall equipment, and mezzanine build-outs. The clear-span interior design allows users to reconfigure the space to fit production, logistics, or contractor operations.

#### Utilities & Infrastructure:

The property is served by city water and sewer and includes natural gas service. The existing utility infrastructure is well-suited for light manufacturing, automotive, fabrication, and general industrial uses.

- ✓ **Zoning & Permitted Uses:**  
Industrial zoning allows for a broad range of uses, including manufacturing, warehouse/distribution, contractor yards, and service operations. This flexibility supports both owner-users and investors seeking versatile long-term utility.

#### Loading & Access:

Multiple grade-level drive-in doors allow trucks and service vehicles to load and unload directly into the building. This configuration supports high-frequency in-and-out operations and improves day-to-day efficiency for distribution and service users.

## Highlights:

- ✓ Exceptional central location with quick access to I-5, Hwy 4, and Hwy 99, Heavy power capacity to support demanding manufacturing operations, Flexible multi-section layout for separate processes or tenants. Secure, fully fenced yard with ample truck maneuvering space including separate areas of street access. Owner-users may explore the option of a full business acquisition or negotiate a complete exit strategy for vacant possession.

## FOR SALE OR LEASE (DND)

- ✓ \*\* DO NOT DISTURB TENANTS \*\*

This property is for sale or lease, making it perfect for an owner-user with an additional income-producing investment. We require that you not disturb the current tenants and that this property be shown by appointment only. The current tenant is paying \$19,845 per month and their lease has ended and on a month-to-month. Yes, they would be willing to stay if allowed (an add Value Property). The property can be divided into three buildings/users, each with access to a shared yard space.

Approximate size of each building

First building 12,000 square feet

Middle Building 8,000 square feet

Corner of Scotts and Aurora 25,724 square feet

## Security & Exterior

- ✓ A fenced perimeter of the yard provides added security for outdoor storage, vehicles, and equipment. This feature is especially attractive for owner-users with valuable inventory or fleet operations.

Buyer Profile & Use Cases:

Ideal for manufacturing, warehousing, logistics, contractor operations, automotive or equipment service, and owner-user headquarters. The combination of building size, yard, zoning flexibility, and access points creates broad demand and strong long-term value.

02 Location

- Location Summary
- Local Business Map
- Aerial View Map

## Location & Logistics

- ✓ The site benefits from strong regional access near key transportation corridors, with proximity to Port of Stockton and major routes including Interstate 5 and State Route 99. This location supports efficient distribution across Central Valley and Northern California markets.

## Seaport Industrial Stockton

- ✓ Seaport is an industrial-focused neighborhood in Stockton, California, centered around the bustling Port of Stockton, which is California's largest inland port. This area serves as a key logistical hub for international trade, connecting the Central Valley to the world via the San Joaquin River deepwater shipping channel.

Key Aspects of Seaport, Stockton:

Port Activity: The area is a hub for industrial commerce, handling significant cargo via vessel, rail, and truck.

## Located in an Opportunity Zone

- ✓ The property offers potential tax benefits for new tenants. 935 E Scotts Ave is strategically positioned near the junction of Interstate 5 and California State Route 4, providing connections to the Bay Area. It is also conveniently located near the Port of Stockton, just a few miles away, which features a deepwater shipping channel that specializes in both dry and liquid bulk cargo. The facility is situated within a heavy industrial corridor, surrounded by distribution, manufacturing, and logistics companies.

935 E Scotts Ave delivers secure, well-equipped industrial space with robust power, office and loading amenities, as well as an exceptional location near major transportation routes and leading logistics. All this and more prove this offering is a perfect choice for manufacturing and distribution businesses.

Beau Philip  
Commercial Real Estate Agent

Beau Philip joined GQ North Real Estate in March 2025. Although new to the industry, he brings two years of internship experience in commercial sales and leasing, as well as practical insight from his own commercial investments.

Before transitioning into commercial real estate, Beau earned a baseball scholarship to Oregon State University. In 2019, he was selected in the second round of the MLB Draft and spent five years in the Atlanta Braves organization as a professional baseball player. His experience as a shortstop and pitcher sharpened his competitive drive and attention to detail—qualities that now enhance his performance in commercial real estate transactions.

Beau’s natural rapport with clients has contributed to a strong start in his career. In his first year, he closed multiple retail and industrial transactions and secured numerous new commercial listings. Committed to versatility, he continues to build experience across all aspects of commercial sales and leasing. Beau specializes in industrial, Retail, and commercial investments. Outside of work, Beau enjoys golfing, coaching baseball, flying planes, and pursuing ongoing education, while prioritizing time with his family.
